

Behaviour Based Safety for Leaders

Behaviour Based Safety for Leaders

A POSITIVE SAFETY CULTURE THROUGH ACTIVE LEADERSHIP

Promoting Safety Leadership

PSB Solutions' 'Behaviour Based Safety for Leaders' program is designed for those organisations who have a top-down Behaviour Based Safety (BBS) program and require participant training. This training can help reinforce and revitalise your BBS program. The aims of the program are to:

- Improve safety culture.
- Promote safe behaviours and positive work practices.
- Increase safety feedback from and to leaders.
- Reduce risk-taking behaviours.
- Promote accountability for safety.
- Develop visible Behaviour Based Safety leadership.

Key Objectives

The key objectives of the one day program are to provide personnel with an understanding of:

- Behaviour Based Safety.
- The benefits of Behaviour Based Safety.
- The importance of leadership, visibility and engagement.
- Why we focus on behaviours.
- Why people take risks.
- How to deliver effective safety feedback using the SAFER method.
- How to use your organisation's Behaviour Based Safety program (in-house).
- Effective communication skills.

Audience

This course is ideal for leaders, supervisors and managers who are required to participate in a Behaviour Based Safety program.

The Process

PSB Solutions will tailor the one day program to suit your needs, industry type and specific safety concerns. We can also provide practical coaching if required in the workplace focusing on how to conduct an effective observation and provide meaningful feedback that facilitates behaviour change.
